

Markers + auxiliary controls

A4 paper. Print at 100% / actual size. Disable all fit-to-page scaling.

YOKE / ID 7

70 x 70 mm black square
Keep the 11.67 mm white margin.

THROTTLE / ID 23

50 x 50 mm black square
Keep the 8.33 mm white margin.

Mount flat on matte cardboard. Keep the entire white margin around each black square. Cut outside it; do not trim to the black edge. Face both markers toward the webcam. Keep fingers, glossy tape, decoration, and spare copies away from the camera view.

05 AUXILIARY PANEL - PLACE BESIDE THE KEYBOARD

W / S Throttle up / down	ARROWS Pitch / roll	A / D Rudder / steering
G Landing gear	V Cockpit / chase view	SPACE Wheel brakes
R / ENTER Reset / start mission	M / ESC Mute / pause	C Calibrate in tracker window

Place labels beside keys; keep paper off moving key mechanisms.

50 mm scale check

Measure this ruler and both black squares before cutting. If any measurement is wrong, reprint with all scaling disabled.
